

Medtronic Summer 2026 Internship Information Session

**Wednesday, October 1st 2025
5:30 - 7 PM
Fung Auditorium (PFBH)**

Join Medtronic and **kickstart your career** with hands-on experience and cutting-edge tools. You'll collaborate with a **diverse team** to **tackle real-world challenges** and support groundbreaking products in service of our Mission to alleviate pain, restore health, and extend life.

Join our in-person information session to

- Gain insight into experiences from former engineering interns
- Speak with a **Distinguished Scientist, Senior Design Assurance Engineer, R&D Engineer**, and **R&D Summer 2025 Intern** representing the Neurovascular, Structural Heart, and Cardiac Rhythm Management operating units
- Learn how to apply for the 2026 summer internship program - applications close **Monday, October 13th**

Candidate criteria

- Working toward an engineering-related Bachelor's degree or Master's degree
- Eligible students will be returning to school in Fall 2026
- Must be able to participate full time (40 hours/week) for a 10-12 week internship
- Legally authorized to work in the U.S. on a full-time basis and does not require sponsorship in the future for an employment visa
- 3.0 out of a 4.0 cumulative GPA (preferred)
