To promote the opportunity for UCSD students to join Medtronic for a paid summer internship experience, Medtronic is hosting an **in-person information session**

The information session will discuss:

- Various experiences that past interns have enjoyed while working at Medtronic and why the program is a great way to learn about careers in medical technology.
- How to apply for the 2025 summer internship program—**applications are now open on Handshake and will CLOSE on October 13th, 2024**
- Medtronic's timeline for selecting candidates, interviewing them, and offering positions to new interns.
- The path that led to Medtronic as told by several UCSD alumni.

Applicants for 2025 summer internships must be:

- An undergraduate student at 2nd or 3rd year or 1st year Master student.
- Graduation date of Dec. 2025 or later.
- Working towards a bachelor's or master's degree in an engineering major.
- Carrying a minimum 3.0 out of a 4.0 cumulative GPA.
- Legally authorized to work in the U.S. on a full-time basis and will not require sponsorship in the future for an employment visa.
